

REMARKS

Claims 1-25 are pending. Claims 26-32 are herein canceled.

Election/Restriction

Applicants herein cancel claims 26-32 in response to the restriction requirement being made final. Applicants assert, however, that the election was with traverse. While the Examiner acknowledges such in line 2, paragraph 2 on page 2 of the Office Action, the Examiner goes on to state in line 4, paragraph 2 on page 2 that the election was without traverse. Applicants assert the latter ("without traverse") was in error. Furthermore, Applicants continue to assert that claim 32 can include gold in addition to the features stated in claim 32.

Double Patenting

In response to the obvious-type double patenting rejection Applicants herewith include a terminal disclaimer.

Respectfully submitted,
